Use of illegally acquired drugs poses health risks, including overdose and death. Some risks can be reduced, but not eliminated, by:

1. Getting a Take Home Naloxone Kit. Call HealthLine 811 to find locations.
2. Calling the National Overdose Response Service at 1-888-688-NORS (6677) if you are alone.
3. The Good Samaritan Drug Overdose Act protects individuals who seek emergency help during an overdose or who witness an overdose.
4. Drug checking and other services can be found through [www.saskatchewan.ca/overdose](http://www.saskatchewan.ca/overdose).
5. Sharing this alert.
6. Signing up for Sask Drug Alert: Scan QR code
