### Depot Tours

If you are interested in a tour for your Cadet Corps contact R/Cst. Iron or Cpl. Cory Johnstone. During these outings cadets have toured Depot, Heritage Centre, spectated the Sergeant Major's noon parade and have had their own session with the Depot Drill & Department Unit.

### Awards & Achievements

Tracking achievements, awards and promotions shows cadets that their hard work is recognized and valued. It builds pride, motivation, and a sense of progress in the program. Consistent tracking helps leaders identify growth, reward commitment, and plan future opportunities. If your cadets earned an award or promotion contact R/Cst. Iron.

S/Sgt. Dean Lerat(F Div IPS) presents Cpl. Miles Hiebert(Depot CEMS) with a challenge coin in recognition of conducting the Pasqua CCC Depot Tour.

### Patches & Stickers

The new patches and stickers have been sent out within the last week. Application instructions on how and where to apply the patches are in the uniform portion of your program manual.

### Training

We are now booking dates for the one day Cadet and Section Leader training session in your community. This training is perfect as a refresher or should you have new leaders joining your group. This is also a great opportunity to involve Sr. Cadets and have them take part in your planning process.
