A Message to Pasqua First Nation Citizens

Dear Pasqua First Nation Citizens,
As we approach the holiday season, I want to take a moment to reach out to all our Citizens and wish you and your families well.
First, I want to sincerely thank everyone who has put their faith and confidence in this leadership. I don't take that trust lightly. We know there is a responsibility that comes with serving our people, and we remain committed to doing our best for Pasqua First Nation and all our Citizens.
We have been busy preparing for the holiday season, and I am pleased to share some good news. Between the Citizens Trust and the Capital & Revenue Trust held by Indigenous Services Canada, we have paid out a total of **$3,578,163.90 in own-source revenue** through the COLA and Children's Christmas Incentive. We hope these payments provide some additional support to our Citizens and families as we head into the Christmas season.
There is also a lot happening within our Nation. Work continues on several important capital projects, including our new water treatment plant, the wastewater lagoon, and Subdivision 4. These are important projects for our Nation, and we look forward to seeing them continue to move ahead. They are investments in our Nation and in the future of our people.
We also recognize the importance of keeping our Citizens informed about our finances and the management of our trusts. We will be scheduling audit meetings in the near future and hope to have our Trustees, CIBC and Peace Hills Trust, join us. These meetings will give our Citizens an opportunity to hear updates, ask questions, and have a better understanding of the financial matters that affect our Nation.
I know there is always more work to do, and we understand that not everything happens as quickly as we would like. What matters is that we continue moving forward, working together, and making decisions with the best interests of Pasqua First Nation in mind.
Many of Pasqua First Nation Citizen's have enquired about land claims and status. I've attached a brief on the status of Pasqua First Nation claims and stages of resolving thru negotiations and/or the Specific Claims Tribunal.
As we enter this holiday season, I hope everyone has an opportunity to spend time with family, enjoy the company of loved ones, and make some good memories. For those who may be facing challenges this time of year, I hope you find comfort and support among family, friends, and our Nation.
Thank you again for your support and for allowing us the opportunity to serve. I wish all Pasqua First Nation Citizens, wherever you may be, a Merry Christmas, a safe holiday season, and a happy and healthy New Year.
With respect and best wishes,

Chief Fabian Ironeagle

OFFICE OF THE CHIEF— CLAIMS UPDATE

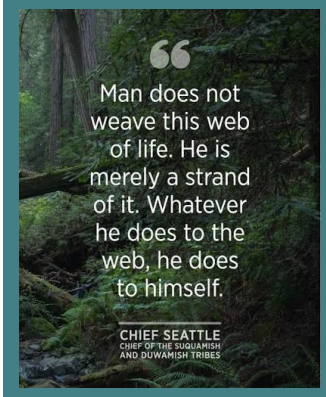

IR80A: (Kinookimaw)

A fishing station consisting of 1408 acres was established for the Touchwood and Qu'Appelle First Nations was approved by Order in Council in 1889.
In 1918 those same lands were allegedly surrendered to the Crown (Canada)
In 2008 the First Nations filed a Specific Claims with Canada alleging wrongful surrender.
In 2011, Canada accepted the claim for negotiations but, stating the surrender was legally obtained.
In 2012 the First Nations filed an application with the Specific Claims Tribunal to address Canada's position of obtaining a legal surrender of IR80A.
In 2019, Specific Claims Tribunal decision that the Beneficiaries of IR80A namely: Touchwood Agency (Daystar, Kawacatoose, Muskowekwan, Goerge Gordon) and Qu'Appelle Agency (Piapot, Muscowpetung, Pasqua, Standing Buffalo).
Canada recognized they did not obtain a surrender from Standing Buffalo. In failing to do so, Canada offered to negotiate the IR80A claim was illegally obtained thru an illegal surrender.
The IR80A Beneficiary First Nations cannot work together to negotiate with Canada and/or jointly submit a Settlement Proposal.
In late 2026, Pasqua First Nation will develop own Settlement Proposal and submit to Canada for consideration in resolving the long outstanding surrender of IR80A.

MISMANAGEMENT:

Pasqua filed claim with Canada on March 15, 2022.
Pasqua alleges those monies held in trust for and on behalf of Pasqua First Nation was misspent by Canada from Pasqua's Revenue and Capital Trust administered by Canada.
On June 26, 2026 Chief Fabian Ironeagle received correspondence from Crown-Indigenous Relations and Northern Affairs (CIRNAC) accepting Pasqua's Mismanagement Claim for Negotiations.
Pasqua developed a comprehensive report and settlement proposal that was submitted to CIRNAC for review.
Pasqua waits for a formal response from CIRNAC pertaining to Pasqua's settlement proposal.

1910 RAILWAY:

Pasqua filed claim with Canada on April 10, 2013.
Canada rejected Pasqua's Railway claim on May 20, 2016.
In October of 2016 Pasqua filed with Specific Claims Tribunal.
In April 2021 Pasqua filed a settlement proposal with Canada for consideration.
After Pasqua submitted a Railway settlement proposal, the legal landscape in settling claims changed with the *Southwind vs. HMQC* decision.
In 2022 Pasqua developed a new settlement proposal taking into consideration the *Southwind* decision.
Canada (CIRNAC) is reviewing Pasqua's settlement proposal and will provide Pasqua request for more information and/or clarification.

TREATY ANNUITIES INDEXATION:

Pasqua filed claim with Canada on September 9, 2022.
Crown's failure to increase, index or augment the Annuity Payment.
In 2023 CIRNAC and Pasqua created a side table to discuss resolving Pasqua's Treaty Annuities Claim.
In Early 2024, CIRNAC withdraws from discussion with Pasqua citing CIRNAC did not have a mandate to resolve Treaty Four Annuities Claim
Pasqua file with the Specific Claims Tribunal on July 24, 2024 citing CIRNAC rejected offer to negotiate with Pasqua First Nation
In March 2026 Specific Claims Tribunal conducts Elder Testimony on Pasqua First Nation.
Pasqua Specific Claims Tribunal trial is scheduled for October 2027.

Hello Pasqua First Nation. My name is Candace Carter and I am the Lands Manager for our Nation. I have been busy in the Lands Department working on our TLE Reserve Creation Files. Pasqua TLE has purchased 9,393.55 acres to date. We have 4,172.11 acres in the file manager as working files. We have successfully achieved 5,221.44 acres reserve status on our TLE Lands. We have TLE lands in the Rural Municipalities of: Lipton, Cupar, North Qu'Appelle, South Qu'Appelle, Dufferin and Old Post. I am thankful for our Leadership for their knowledge and advocating for our files to address any third-party issues when it comes to reserve creation. We are on track to achieve our shortfall by the end of 2027.

I am also in the process of renewing our ISC Permits and TLE Leases for 2027-2029. We are renewing our permits and leases to: Pasqua Farms Ltd., KF Kambeitz Farms Inc., Colven Cattle Cl., Pituley Livestock and Ellis Farm. The revenue for TLE fee simple go back into the Pasqua TLE Holdings Inc. account to be used for future TLE related costs. The ISC Permit revenue goes to the Receiver General for Canada, which the Nation can access for Band Member Assistance.

PASKWA GARDEN 2026

Elder. These will be posed for the new year. I am open to appointments to talk about any Lands related issues or concerns. Please call, email or text me. My information is above.

I would like to express my gratitude to each and every one of you who have supported the Paskwa Garden in any way. This project means so much to me to be able to grow healthy food for our People. I'd like to share that the garden grew over 8,000 pounds of food, and we were able to share produce packages to 340 homes, on the Nation and off the First Nation. This project also created employment opportunities for our people. The garden site is located on the Pasqua First Nation, LLD: SE-32-20-15-W2, on the Pasqua/Obey Family traditional land. We have a garden site of approximately 7 acres where we grew; potatoes, tomatoes, corn, beets, zucchini, peppers, onions, garlic, pumpkins, strawberries and so much more.

Everyone is welcome at the Paskwa Garden. The health benefits of being in the garden are so good for our people. We get to connect with the land and know the hard work we are doing is for the good of the Nation. I'd like to personally thank the garden staff and volunteers for their work in the garden. There were some hard days but we persevered and came out on top with what we were able to do. I'd also like to thank CPEC for bringing their students out to help plant and harvest. I hope everyone who received a package made a delicious meal for their family. We plan on continuing our journey in 2027 and beyond. This will be a legacy project for ALL Nation members to enjoy.

EDUCATION

Eric Honetschlager
Director of Education
Chief Paskwa Education Centre

Anin Pasqua Families and Community Members.

It is hard to believe that two months have passes since we welcomed our students back in September. As we move into November, I am pleased to share some of the learning, activities and events happening across Pasqua Education.

Both our elementary and high school continue to focus on student learning, attendance, wellness, culture and creating positive opportunities for our students.

The elementary school staff continue their work in Confident Learners Literacy and JUMP Math, using student assessments to guide instruction and provide additional support where needed. Planning is underway for the CPEC Round Dance in December, with a focus on bringing students, families, staff and community together. Staff Professional Learning Communities continue to focus on literacy, mathematics, behaviour, mental health and responding to student learning needs.

The high school continues to focus on student attendance, credit completion and graduation success. Plans have included a November hunting camp as part of our increased emphasis on culture and land-based learning. We continue to encourage families to support regular attendance and communication between home and school. Strong literacy and numeracy, student wellness, improved attendance, cultural learning and building stronger connections with families and the Pasqua community are our

Hello from the Finance Department. Our staff includes the following:

Kendra Poitras	**Finance Director**
Corey Stevenson	**Finance Officer**
Chenoa Poitras	**Payroll Clerk**
Jaylene Agecoutay	**Accounts Payable**

I returned to work on April 1, 2025, after fifteen months of being on Short/Long Term Sick Leave, I oversee all functions in the finance department. I have been employed in the finance department since October 1996; with a two-year Education Leave to obtain my Bachelor of Administration. Mr. Corey Stevenson joined us in June 2026; his main duty is administration of all employee benefits. Chenoa assists in processing the Flood Claim, Agricultural benefits and COLA (cost of living allowance) along with the regular duties within payroll. Chenoa has been with finance since April 2019. Jaylene has been with Finance since November 2021 as accounts payable and general clerk. We also contract a qualified Certified Chartered Accountant to work with us in Finance, she works one day a week. In summary. The Finance Department is a fast-paced area and precision, and organization is of outmost importance to successfully complete our duties daily.

Reminder:
Teach Indigenous brilliance & success as much as you teach Indigenous suffering and trauma.

PREVENTION

Brian Missens
Prevention Manager

Hello Nation Members

Pasqua Prevention has been in operation for the last few months The following are the ISC terms associated with the services we provide to the nation.

Primary Prevention (Community Wide): Community wellness programs, education, and early intervention.
Secondary Prevention (Early Intervention): Support for at-risk families and family reunification services.
Tertiary Prevention (Crisis Intervention): Immediate safety measures, crisis intervention.

ISC directives specify that individuals must meet the criteria of being **"ordinarily resident on reserve"** to qualify for core on-reserve service streams. If a person's primary, permanent home is off-reserve, provincial systems take over funding responsibility.
We are currently developing programs and activities in the above-mentioned areas that will be available to nation members to attend in the near future. We are also planning on having multiple family and youth activities starting in the 2nd week of December going forward.

Our Prevention Team consists of
Muriel Goodwill - Prevention Co-ordinator.
Raquel Pinay - Tawiyaka Prevention Co-ordinator.
Edward English - Prevention Co-ordinator (effective November 13th).
Brian Missens - Prevention Manager.

The prevention office also has Sara Ironeagle - First Nations Representative (FNR). Vanessa Peigan – Post Majority Support Services. In the near future we will be offering Elder services for the community.

TRUST SERVICES MANAGER

Introducing Tony Cappo – Trust Services Manager Pasqua First Nation Pasqua First Nation is pleased to introduce Tony Cappo as the Nation's new Trust Services Manager, who commenced in the position in July 2026. In this role, Tony will be responsible for the oversight, management, and administration of the various trusts held by Pasqua First Nation. The position is focused on ensuring the Nation's trusts are effectively managed, monitored, and administered in accordance with their respective trust agreements, governance requirements, and the direction of Chief and Council. An important part of the role will be coordinating and administering payments and distributions to eligible members, including the annual Cost-of-Living Allowance (COLA) payments, along with other trust-related benefits and distributions as applicable. Tony brings several years of experience in First Nation Band Administration, organizational leadership, and governance. His background includes working with First Nation leadership and administration on governance, organizational development, financial oversight, and community-focused initiatives. The establishment of this role reflects Pasqua First Nation's commitment to strengthening the oversight and administration of its financial trusts, promoting accountability and transparency, and ensuring that trust resources are managed responsibly for the benefit of the Nation and its members, both today and for future generations. Please join us in welcoming Tony Cappo to his new role as Trust Services Manager. Email: tony.cappo@pasquafn.ca

TRI-NATION

WORKING TOGETHER FOR SAFER NATIONS
Pasqua, Muscowpetung and Piapot First Nations Advancing the Tri-Nation Policing Initiative

Pasqua First Nation, together with Muscowpetung First Nation and Piapot First Nation, is working toward an important initiative to develop a First Nations-led policing service for our Nations.

The **Tri-Nation initiative** brings the three First Nations together to explore a new approach to policing and Nation safety, one that is led by First Nations, reflects our cultures and values, and responds to the unique needs of our people.

The goal is to move away from relying solely on the current RCMP policing model and work toward a First Nations-administered policing service that gives our Nations greater leadership, involvement, and responsibility in keeping our Nations safe.

WHAT ARE WE WORKING ON?
The three Nations are currently working together on several important priorities:

Developing a Tri-Nation Agreement: Establishing Terms of Reference that outline how the three Nations will work together, make decisions, and move the initiative forward.

Planning the Transition: Developing a roadmap and workplan that identifies the steps, timelines, and resources needed to establish a First Nations-led policing service.

Securing Government Support: Working with provincial and federal governments to obtain the technical assistance and funding required to make this initiative possible.

Exploring Funding Opportunities: Identifying capacity-building and feasibility funding to support the planning and development of the proposed service.

Nation Safety and Justice: Looking beyond policing to address youth safety, bullying, Elder concerns, family safety, drugs, traffic concerns, and other Nation priorities.

Learning from Other First Nations: Exploring the Manitoba First Nations policing model to learn from their experience in establishing and operating First Nations-administered police services.

WHAT HAPPENS NEXT?
An important meeting is scheduled with Assistant Deputy Minister Amber Clark from the Provincial Government. The three Chiefs will have an opportunity to present the collective vision and request Provincial support in three key areas:
A dedicated Provincial contact person to work directly with the Tri-Nation group.
Funding support for preliminary feasibility work and capacity building.
A joint transition planning strategy involving the three Nations, Provincial and Federal Governments.
The Nations are also working toward Nation information sessions so members can learn more about the initiative and understand what it could mean for their Nations.

WHY DOES THIS MATTER?
Nation safety is about more than policing. It is about protecting our children, supporting our Elders, keeping families safe, addressing Nation concerns, and creating safer environments for everyone.
Through the Tri-Nation initiative, Pasqua, Muscowpetung, and Piapot are working together to build a Policing and Nation safety model that reflects First Nations priorities, leadership, and values.

Our Nations deserve to have a strong voice in determining how they are protected and how Nation safety services are delivered.
