

## Welder/Fabricator

Pro Metal Industries has been in operation for over 30 years. Pro Metal is a full-service metal fabrication and machining facility. We work with many world class customers in the agriculture, mining, military and defense and energy sectors, to name a few. Pro Metal is a rapidly growing company and is 100% owned by Pasqua First Nation Group of Companies.

This is an exciting opportunity for the right individuals to join a very dynamic and driven team. Our team is very diversified, and you have the opportunity to learn and/or utilize fabrication skills.

Our work is very diversified and fabricate/weld production parts as well custom projects. One day you could be creating assemblies for agriculture equipment and the next creating a custom decor piece. Pro Metal specializes in variety. Pro Metal fabricates using steel, stainless and aluminum.
