What is PFN Group of Companies?

Pasqua First Nation, with unity and respect of our Traditional Values and Treaties, are working towards creating an environment that promotes a higher quality of life and a future for Aboriginal people. We will do this by establishing positive Business Development Opportunities and Partnerships.

Some of our partners include:

- **K+S Potash Canada**

K+S Potash Canada is a subsidiary of K+S Group who is the worlds fifth largest potash producer and

the worlds largest supplier of salt.. The newest K+S Potash endeavor is the Legacy Project near Bethune, SK. This project will bring a large number of jobs and new opportunities to the province. K+S Potash is committed to Aboriginal Employment and Procurement Opportunities. PFN Group of Companies is involved by representing K+S at Career fairs, presentations, facilitating site tours, and other HR activities in FN communities.

- **Site Energy**

Site Energy is a leading remote access, environmental and infrastructure services provider focused on mining, unconventional oil and gas and potash regions of Western Canada. PFN has not yet done work with Site but have signed the official partnership agreement.

- **Clean Harbors**

Clean Harbors is the leading provider of environmental, energy and industrial services throughout North America. PFN Group of Companies currently assists in hiring for camp positions at the K+S Legacy Site in Bethune, SK.

- **Athabasca Basin Security**

Athabasca Basin Security is a 100% Aboriginal owned award winning security company. They provide the Canadian mining industries top companies with a full range of industrial security services including many of the country's most remote areas.

- **Parkland College**

Parkland College is committed to creating and delivering an innovative continuum of learning to stimulate individual, community and economic growth and to providing and celebrating quality learning and service to students. The majority of programs & training offered to PFN members have been in partnership with Parkland College,
