

## Construction Supervisors

### Who We Are

Clean Harbors is a leading provider of environmental, energy and industrial services throughout North America. The Company serves over 50,000 customers, including a majority of the Fortune 500 companies, thousands of smaller private entities and numerous federal, state, provincial and local governmental agencies. We are a public company, trading on the New York Stock exchange under symbol CLH; in 2011 our revenue was a record \$1.98 billion and EBITDA was \$350 million.

### What We Offer

- Seasonal, full-time position;
- 2 weeks on/1 week off work rotation;
- Camp accommodation.

### The Opportunity

Clean Harbors is currently looking for **Construction Supervisors** to assist with our Legacy Mine construction camp project near Bethune Saskatchewan. The successful candidate will demonstrate a high level of interest in the quality of the building and construction of modular buildings. They will be responsible for supervising employees; mentoring trade and non-trade employees; and organizing and monitoring work flow.

### Key Responsibilities:

- Ensures health and safety is the number one goal by following policies, processes and acting in a safe manner at all times.
- Ensure that work crews are properly trained and are maintaining the construction schedule.
- Maintains workflow by monitoring steps of the process, reviewing drawings and identifying potential building or material issues;
- Ensures quality control is maintained throughout the project by identifying and addressing deficiencies in the building process;
- Ensures that inventory and materials are available at required work flow process points.

### Key Qualifications:

- 1-3 years of previous supervisory experience within a building and construction environment;
- Journeyman certification is an asset;
- Safety tickets an asset (Fall Arrest, First Aid, CSTS)
- Basic to intermediate computer skills (Outlook, Word, Excel);
- Goal focused and team orientated.

Please submit resume along with references, a copy of safety tickets and a copy of drug test to:
