

Saskatchewan Indian Institute of Technologies

Interested in a Career in the Mining Industry?

When: September 22 to November 28 2014

Where: Construction Careers Regina

Program Overview

This ten week training includes employment readiness, career exploration and safety training to enhance employment opportunities for First Nation & Métis participants for anticipated entry level employment positions within local mining operations. Openings are anticipated at various PCS and Mosaic sites in the coming months due to their ongoing expansion projects. These positions are responsible for performing a variety of manual and semi-skilled tasks associated with mining operations, mill operations and maintenance. These courses will include a mine tour and possibly some job shadowing/work experience in an operational potash mine. There may be training allowance available for those who qualify.

Academic Requirements

Grade 12 or GED

Non- Academic Requirements

Registered with Construction Careers Regina
Class 5 Drivers License
