# The Pelican Post

Volume 1, Issue 1

June 30, 2017

## Greeting from Chief M. Todd Peigan

Anin Pasqua Citizens,

I hope this summer season finds you all happy and healthy. I would like to send a special thank you to the departments that contributed to this newsletter and to the Community Navigator, Treena Lealalii, for taking the time to compile and format this newsletter for our citizens.

I know our citizens are anxiously awaiting news on our 1906 Surrender Claim. I've provided a summary below as to the on-going meetings your leadership and the Government of Canada have had with regards to our claim.

### **Re: 1906 Surrender Claim Negotiations Update**

On October 19<sup>th</sup> & 20<sup>th</sup>, 2016, Pasqua First Nation scheduled meetings pertaining to the status of Pasqua's 1906 Surrender Claim. At these two sessions, those in attendance and those who viewed via live stream were presented with the current status of the 1906 Surrender Claim. This presentation can be viewed and downloaded at: [www.pasquafn.ca](http://www.pasquafn.ca)

Since the last 1906 Negotiation status update of Dec 16, 2017 Pasqua Chief & Council whom are the negotiation team has met with Canada on the following dates.

1. February 28<sup>th</sup>: Ottawa – INAC Headquarters.
2. March 28<sup>th</sup>: Conference Call
3. April 25<sup>th</sup>: Ottawa – INAC Headquarters
4. May 23<sup>rd</sup>: Conference Call

The next negotiation meeting will be on July 21<sup>st</sup> in Calgary, Alberta.

- Pasqua has submitted a new proposed settlement to Canada for consideration.
- The new proposal is a global settlement of \$138,000,000.00.
- The new proposal has been re-submitted as the last proposal was submitted in November 2013.

# GREETINGS FROM CHIEF M. TODD PEIGAN

## Continued from page 1

### Upcoming Events

- Jul. 4 & 5, 2017 :  
9:30am - 3:00pm  
each day. Ages 5  
to 11 years Sum-  
mer Camp at the  
Pasqua Band Hall
- Jul. 4 - 7, 2017:  
TCFS Family  
Preservation  
Camp, Fishing  
Lake FN
- Jul. 5 - 10 , 2017:  
Bold Eagle Youth  
Trip
- Jul. 13 & 14, 2017:  
Healthy Choices  
Day Camp 2017  
Pasqua Band Hall  
Ages 8 to 12 years
- Aug. 8 & 9, 2017:  
Repatriation  
Camp
- Aug. 10, 2017:  
Pasqua Traditional  
Pow Wow

Kenoose  
Waterslides (Ages  
4 - 16yrs)
- TBA: PFN Youth  
Sports Awards
- TBA: Elder's Trip
- TBA: Pasqua  
Youth Centre  
Grand Opening

As last reported, the Altus valuation study report (appraisal & loss of use) is on-going due to issues raised by both Pasqua & Canada in regards to the draft report. Altus Group has to complete two studies.

1. Loss of use.
  - a. Altus Group is determining the loss of use based on a loss-of-use formula (agreed to by Canada & Pasqua) that was used on another surrender claim similar to Pasqua's claim.
  - b. The loss of use pertains to revenue that would have been generated by Pasqua if the surrender did not happen.
  - c. The loss of use formula would be applied from 1906 to present day.
2. Current Market Value (CMV)
  - a. Determine what the current market value of the surrendered lands (16,077 acres).

On July 21, 2017, it is anticipated that Altus Group would have completed the two studies.

- The studies will be reviewed by both Parties
- If there is any concerns of the studies raised, Altus Group will have to provide rationale when providing response to any concerns raised.

### Future Negotiation Meetings

1. August 29<sup>th</sup>: Ottawa – INAC Headquarters
2. September 26<sup>th</sup>: Conference Call

There are no negotiation meetings beyond September 2017 as both Canada & Pasqua anticipate that the negotiations may be concluded.

In closing, Please keep in mind that the 1906 surrender claim was validated to negotiate by INAC on July 15, 2016 and the parties did not meet until August 30, 2016. Chief and Council are asking for the people of Pasqua's patience. We are working diligently to conclude a final settlement on Pasqua 1906 Surrender Claim.

Many Thanks,  
Pasqua Chief & Council

Chief Matthew T. Peigan

## PASQUA YOUTH CENTRE

In May 2016 the Indigenous & Northern Affairs Canada sent an email to all the Chiefs in Canada announcing a call for recreational/cultural projects. We only had 3 days to submit for one as the proposal template had to be in by that Friday at noon. We set up a team to work on it which consisted of Lorraine Cyr, Danielle Poitras, (Assistant Lands Coordinator) and myself, Fabian Ironeagle, (Band Councillor).

We were in charge of writing the background material for the proposal showing the need for a youth center. Technical staff, Danielle and Lorraine done all the work which required listing all youth 4 to 18 who lived on reserve along with their status numbers, that would utilize the center. This was one of INAC direction we had to follow but we hope that youth from the urban centers also come to utilize it. I was in charge of getting costs which included a blueprint. W.P Construction was the only company that submitted a cost and a blueprint for this construction and was awarded the contract. We initially submitted for \$950,000.00 and were given \$750,000.00. This only included the cost of the building not the furnishings and other material we will need in the center. The proposal was submitted to INAC by the deadline and Pasqua was informed in June 2016 that we were successful in our proposal. We were one of six bands in Saskatchewan so we feel very fortunate to be selected.

Construction began in October 2016 and it was a very trying winter build but it is almost complete. We are planning on a grand opening in mid-August and the Pasqua Youth Committee are currently running a naming contest to name the new youth center.

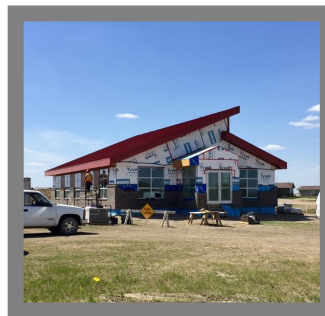

We are very excited to open this exceptional facility and we hope all youth get involved in the programs we plan on putting on hosting. Our Sports and Recreation Coordinator, Tim Cyr, will be located in the Youth Centre. We hope to hire a part time coordinator to assist in the programming.

Now we need ideas, plans, etc. from the members as to programs they want to see there for their children and youth. I understand that the youth committee will be surveying the band membership as to some programming that will happen. We know that we are going to put on programs such as traditional dance, regalia making, ribbon skirts and shirts, language classes as this was what was put in the proposal. We realize that there are much traditional losses that we have endured and we need to relearn this knowledge from our elders and others, things such as making pemmican, tanning hides and also cooking traditional foods. We hope that all band members both on reserve and urban centers get involved in this new endeavor. Migweetch to all and we hope to see all of you at the grand opening.

Youth Centre Sod-Turning Ceremony, Oct.

Conceptual Plan of  
Youth Centre

# Circle of Care Health Center

## Circle of Care:

Anin, and thank you for taking the time to pick up a newsletter and see what's going on in the community. At the Circle of Care Health Center we're hard at work looking at the many ways we can help build a strong sense of health and wellness in our community, as well as building on our existing programs. We have just recently started a "Women's Wellness Sharing Program" hosted by Beatrice Obey with a focus on skirt making. There are plans to begin a new project once all our many members complete their skirts. We also invited a Traditional Healer, Mekko, who saw many of our community members so a big thank you to Mekko for his knowledge and sharing his gifts. Donna Kahnpace, our In-Home Worker has finished a majority of the senior's spring cleaning and requests that any senior in need of extra assistance please call her at the Health Centre. Karen also provides prescription medication pick up for seniors every Tuesday.

## Daycare/ Head start:

Summer months are creeping up on us. Daycare will be open and operating through the summer months. If you're a working parent from Pasqua First Nation and are looking for child care for your children. Please feel free to drop-in for an application for your child(ren) or call the daycare at (306)-332-3763 for information.

## PFN Group of Companies

PFN Group of Companies has (9) partnerships: Site Energy, Clean Harbors, Athabasca Basin Security, Safeway Scaffolding, Park Derochie, Canadian Industrial Paramedics, Flyer Electric, Predator Drilling, Canadian Energy Services. With our partners we submit bids to industry when contracts arise.

With our partners we built the K+S Potash Mine 1500 man camp with security and acquired other contracts for scaffolding and industrial painting.

In the past we have had several programs: telecommunications, Hospitality, Scaffolding, Security Training and intro to Mining Program. We have worked collectively with FHQTC and our neighboring First Nations to ensure success of the programs and especially our educational institute Parkland Regional College.

## PRO METAL INDUSTRIES - 100% Owned By Pasqua FN

Pro Metal Industries is a leading provider of precision manufacturing, assembly, and fabrication services. Established in 1994, Pro Metal was acquired by Pasqua First Nation in February 2016, becoming one of the only 100% Indigenous-owned manufacturers and military suppliers in North America.

Acquired by Pasqua First Nation in February 2016, Pro Metal Industries has levered innovation in both product and process to achieve remarkable growth. Over the past 16 months, the supplier of precision manufacturing, assembly, and fabrication services has more than doubled in size to roughly 50 employees — half of which self-identify as Indigenous — and has expanded rapidly into new business lines, including clean technology for the oil and gas sector, as well as agricultural implements. It also has solidified its position as the only 100% Indigenous-owned military supplier in Canada.

The most prominent shift in the business to-date was the introduction of a new partnership with Regina-based manufacturer Degelman Industries (in mid-2016) to produce the company's branded line of rotary cutters. Most fabrication jobs, such as welders and machinists, require an advanced set of skills. But, by introducing an assembly-style workflow, Pro Metal was able to create opportunity for, onboard, and subsequently train otherwise untrained Indigenous workers. This, of course, also spawned growth in revenue, and provided the resources necessary to invest in other new ventures, including the development of incineration technology for the oil and gas sector, which virtually eliminates CO<sub>2</sub>e emissions as an alternative to the flaring or venting of methane.

*"None of us  
can change our  
yesterdays, but  
all of us can  
change our  
tomorrow's."*

## Pasqua First Nation Housing Department Update

Site of new Pasqua's Sub-Division. 8 new units will be moved to this site once preparations are completed.

***“Whatever good things we build end up building us ”***

Completed units waiting to be moved to new site.

### Staff

With the continued growth of our community our staff must grow as well in order to meet the growing demand of maintenance. The housing staff now consists of 5 staff members who are; Manager of housing, Carolyn Stevenson, Housing Administration, Josephine Dubois, Housing Database Clerk, William Cyr, and not one but two maintenance technicians, Jonathan Agecoutay and Dwayne Johns.

### INAC Proposals

Through proposals submitted to INAC by housing manager Carolyn Stevenson over the past 2 years, the housing department has been approved for additional funding for major improvements in many areas of the housing department which has greatly improved our ability to serve our community.

### Immediate Needs/ site servicing

Over the last few months we have been working on some much-needed major renovations to 10 band units that were funded under the INAC Immediate needs program without the approved funding we received we never would have had the ability to do these renovations through the bands funds and we are currently at 90% percent complete. We hope to receive the same funding this year so that we may continue improvements on units where needed. Homes that were chosen for this project were based on the bi-yearly Cyclical reports done by the FHQ compliance inspector

which gave housing an idea of where the requirement for improvement was needed the most. In addition to immediate needs we received additional funding site servicing. Site servicing allowed us to do sewer and water upgrades and improvements to road structures and the building of new roads without having to use band funds.

### Capacity Development

Capacity Development funding provided through INAC has allowed the housing department to improve internally through fully funded workshops and training both on and off the reserve for housing department staff and committee members. Though these workshops and training we have gained more knowledge and insight to similar housing problems and solutions from other points of view. New computer software called ASAP was also recently purchased through capacity development funding. This software will allow housing to track tenants and houses more accurately.

### Retrofit

This year CMHC has introduced a new program which allowed Pasqua to do major appliance energy efficient upgrades to 10 CMHC units, that will extend the longevity of the unit. We hope to utilize this program again if it is available this year so that the band may do more energy efficient upgrades in CMHC homes without depleting the bands funds.

### New Housing

Pasqua has received funding through CMHC to construct 8 units, four 3 bedroom and four

4 bedroom units which we have begun construction on in November 2016 and are now 50% complete. INAC has approved to provide Pasqua with the funding to provide a third subdivision in our core area which we will be placing these units in once the site preparations have been completed. We would like to remind the community that in order for the CMHC Housing program to continue on Pasqua it is not up to the housing staff but the community and their continued support of rental payments. So please remember to pay your rent every month, so that we may continue the construction of new homes in our community.

### Maintenance Workshops

Last Month the housing department held a maintenance workshop for those tenants interested in learning about fire safety and appliance care. We were so pleased to see so many tenants show up and have an interest on how to do their own minor maintenance. We received a lot of positive feedback on what they liked, dislike, and how the housing department can improve on responding to maintenance calls. It was nice to interact with our tenants on a social basis. We gave out several door prizes with our big winners of the day being Miss Lorraine Obey (Electric Lawnmower) and Mr. Fenton Obey (propane BBQ). The Housing department hopes to have a good turnout at our next maintenance workshop date TBA.

## Sports & Recreation Department

Greetings from Sports & Recreation. It's a busy time of year for our youth, with final exams, NAIG & SFNSG tryouts and practices. Pasqua has 6 athletes attending the NAIG in Toronto, Jul. 16 - 22, 2017. Our FHQ Tribal Council will be this year's host for the Sask. First Nations Summer Games. Try-outs are on-going but Pasqua will definitely have athletes attending the Summer Games in Regina on Aug. 6 - 11, 2017. Volunteers are an important part of delivering a successful Summer Games and our Pasqua Staff will be volunteering in any capacity we can. We encourage all our members to come out and support our Tribal Council in providing an excellent experience for the visiting athletes, Elders and spectators. For more information on being a volunteer please contact the FHQ Tribal Council at 306-332-8200.

I would like to send congratulations to our Pasqua FN U16 & U18 Female Volleyball Teams who competed and won the 2016 FSIN Volleyball Championship Tournament and to the Thundering Hills Volleyball Club Team (*Pasqua members include: Chenoa Poitras, Letisha Kahnpace, Jodene Agecoutay & Randine Dubois*) on their Provincial Championship and their 4th place finish at National.

We are very excited for the opening of the new Youth Centre. Please watch for more news about programs being offered in the near future. If you have any question please contact me at the Band Office. Thank you & have a great summer. *Tim Cyr, S. R. C. Coordinator.*

## Touchwood Child & Family Services Inc.

TCFS Inc. provides child protection, family preservation and resource support services to Pasqua, Muskowekwan, George Gordon, Kawacatoose, Fishing Lake and Daystar First Nations.

The Family Preservation Unit is hosting a **Family Preservation Camp from July 4th to 7th, 2017 on Fishing Lake First Nation**. This camp is open to any Pasqua Band Member who would like to attend. Please contact

Maxine Peigan, Pasqua Preservation Worker at the TCFS Pasqua Sub-Office, 306-332-4073. Should someone be in need of child protection services please contact the Intake/Investigation Worker at (306) 835-2600 or if it's after hours please call (306) 835-7706. For any other inquiries please call the TCFS Office at (306) 332-4073 and someone will be happy to assist you. Thank you and happy summer holidays.

## Pasqua First Nation Community Plan

Anin, my name is Treena Lealaih. I was hired in May for the term position of Community Navigator. I'm a Pasqua Band Member and I have worked with ICFS agencies for the past 15 years. The CCBP Committee and myself are currently reviewing Pasqua's community plan to ensure the changes and additions have been made to the plan. I have been attending various committee meetings to get updates from different

departments. Pasqua is fortunate to have a number of programs in place that we can strengthen and build off of. The Community Dashboard will be implemented this fall and all of Pasqua's goals and stats will be on-line for Pasqua Members to access. Watch for more news on the dashboard. Community volunteers are welcome and needed for this project to be a success. If there are any questions or comments please contact me at the Band Office. Migweetch.

Play a sport. It will teach you how to win honorably, lose gracefully, respect authority, work with others, manage your time, and stay out of trouble.

*“Children are great imitators. So give them something great to imitate.”*

Pasqua Community Plan  
Respect for Mother Earth, pride in our people, faith in our vision and honour in our traditions will give strength for a healthy progressive Nation.

## TLE & Lands Department

Anin,

My Name is Danielle Poitras and I'm currently the Lands Coordinator. I'm busy with converting our TLE Lands into Reserve Status. As per our 2008 TLE Settlement Agreement where Pasqua was given **\$8,823,272.85** to Convert Short Fall of **6,685.55** Acres into Reserve Status. To date Pasqua has acquired its Short Fall Acres and we have successfully converted **640.24** Acres. I'm also busy with our On Reserve Permits which is **4,014.64** Acres that will generate **\$134,704.25** Revenue for the 2017 Crop year.

The monies generated goes straight into our Ottawa Trust Account which we utilize at Christmas towards a Per Capita Distribution and to pay for our Christmas meals, both On and Off Reserve.

I've been given the opportunity to take some Land Management Studies. I Graduated Year 1 *Indigenous Peoples Land Management Certificate Program* through the **U of S** in May 2016. I took Year 2 *Professional Lands Manager Certification Program* through the **National Aboriginal Lands Managers Association** Graduation will be June 2018. NALMA took me places throughout Canada and I've made Lifelong Friends and Networking Contacts. Both these certificates equal a **General Practitioner Lands Manager**.

If you have any questions or concerns regarding Lands, please contact me at the Band Office @ TF 1-888-820-2202 or (306)332-5697, Ext. 228.

*"Let us be good stewards of the Earth we inherited. All of us have to share the Earth's fragile ecosystems and precious resources, and each of us has a role to play in preserving them. If we are to go on living together on this earth, we must all be responsible for it."* Kofi Annan

### Kāhkikēntamowat Kēkō ("The Ones Who Know")

Michael Peigan was born June 21, 1932. He is Pasqua's oldest male member. Michael's parents are the late Alfred and Mary (nee McGillis) Peigan. Michael has 9 children and numerous grandchildren and great-grandchildren. Michael has worked for local farmers for 30 years, and later worked for the Band as the Back Hoe Operated and Bus Driver until he retired. Michael enjoys his retirement at home watching the news & old westerns shows. Michael always takes his daily drives to town to check his mail & visit friends & family.

Margaret Obey was born Oct. 1, 1927. Her parents are John & Olive (nee Grey) Obey. Margaret has 11 children, numerous grandchildren, great grandchild & great-great grandchildren. Margaret lives at home with her family dog named lady. She enjoys watching her favorite television programs such as "Hot In Cleveland" & old western shows. Margaret enjoys being outdoors and gardening. She loves tending to her flowers everyday. Margaret enjoys car rides to town to go shopping.

## ANNOUNCEMENTS
